Buenos Aires, March 2008 A.D.

*TO: The Priors, Baillifs,

of the Order of Nuestra Señora, Santa Maria of Buenos Aires.*

With my highest esteem:

*I have the pleasure to invite you to take part to the First
International Meeting of the Order, which will be held in Buenos
Aires, Argentina, next month of August.*

*The Order is already 5 years old since its restoration, having
Substantialy grown, is now acknowledged worldwide. I do announce you
the Catholic Church's official acknowledgement, what put our Order as
a Brotherly Catholic Order (followinf the Ius canonicum) ,of the same
rank, impact and vigor as other brother Orders (e.g. S.O.M.
Constantine of Saint George, Saint Maurice and Lazare, etc.).*

*In order to follow working for its acknowledgement as an international
association of Faithful by the Vatican's Secretary of State, it is of
the utmost importance and necessary that we meet together in a Plenary
Assembly.*

*This unique revival is the result of the tireless work of the
Sovereign Grand Master, the Prince of Gévaudan, and for it we should
consider loyal to answer positively to the present invitation.*

*You will be received and accompanied all the journey long by the
members of the Chapter of the "Orden de Bonaria" in Argentina.*

*Activities will take place following this schedule: The Chancellery of
the Order need to count on the confirmation of your attendance, for
this purpose you should a.s.a.p. send us your positive answer and send
through Western Union or moneygram the amount of
E100.covering the preliminary fees; Those fees should be sent to: don
Ruben
Alberto Gavalda. Such working days would give a new vigor and spirit
to the Order, and would be able to define the various facts and
realities within each one country, exchanging experiences between the
various members.*

*While expecting your answer, I assure you of my personal esteem and
